Education

Year	Degree / Certificate	Institute / School	CGPA/Percentage
2019 - Present	B.E - CSE	Sri Ramakrishna Engineering College	7.95 (Current)
2019	HSC	Sri Vijay Vidyalaya Higher Secondary School	75.0%
2017	SSLC	Sri Vijay Vidyalaya Higher Secondary School	98.0%

Area Of Interest

- java
- mySql

Projects

- **Home Automation using IoT**

In this project we learn to make IoT based home automation project using Blynk app and NodeMCU. By home automation we mean controlling the lighting, temperature, entertainment systems and appliances without a manual switch. When connected with the internet, home devices are an important constituent of the Internet of Things.

- **Path Tracker using AR**

Augmented reality allows for powerful and intuitive solutions in navigation. By showing virtual guides in physical space through the view of a smart phone, users can be directed point to point more naturally than by comparing a map to their immediate surroundings.

Technical skills

- Programming languages : java
- Database management : mySQL

Strength

- Leadership
- Problem solving
- Quick learner

Achievements

- Business English Certificate Preliminary
(Council of Europe Level B1)
-

Personal Details

Date of birth	28-06-2001
